Do I need a visa to enter Jamaica?

Updated 29th June 2011

Check the list below to find out the visa requirements for your country.

Where there are dependent territories of the countries listed, their citizens are accorded similar treatment unless otherwise stated e.g. the visa requirement for citizens of Martinique is the same as that for French nationals.

NB: Those nationals who are permitted to enter Jamaica for varying periods (14 days, 30 days, 60 days, 90 days and 6 months) as visitors (tourist) are required to have a visa when staying beyond those periods indicated and also when visiting for other purposes eg. study, work, reside permanently. This also applies to dependents.
